

VANPOOL RIDER REFERRAL APPLICATION

Please DO NOT complete this application unless you meet all the following requirements for eligibility:

1. A faxed or emailed copy of your completed application must be received by Georgia Commute Options before the day the new rider starts riding. This is NOT a reward given after the new rider joins the vanpool. It is an incentive for clean commuters to recruit new vanpoolers. Fax to 770-357-3740, or email to Incentives@GaCommuteOptions.com.
2. You must be a current clean commuter logging your trips at GaCommuteOptions.com and the person you are recruiting must not have been riding in a vanpool during the previous 6 months (they must be new to vanpooling).
3. Commuters are required to provide a physical address (not a P.O. box) in order to be enrolled or participate in any incentives.
4. The vanpool the new rider is joining must not be a new vanpool. The New Rider Referral is not available during new vanpool formation. The vanpool must have been operating for 90 days in order to be eligible for a Rider Referral.
