

You're essential. We're here for you.

Your hard work is essential to helping us all stay healthy. Now let us help you get to and from work. To assist you in planning your commute, we've compiled the best options available to you right now.

Arrive at Work by Riding Transit.

Metro Atlanta's transit providers are operating routes that may serve your worksite. Details on transit COVID-19 procedures are as follows:

MARTA

- Prioritizing essential transit service for people who need to travel to work
- Requiring all passengers to wear a mask covering their mouth and nose
- Marking every other seat to allow for physical distancing
- View up-to-date information on service: www.itsMARTA.com/coronavirus.aspx

GWINNETT COUNTY TRANSIT

- Limiting passengers to 14 per bus for social distancing
- Providing hand sanitizer and face masks for customers on-board, when available
- Deep cleaning buses daily
- View schedule information: www.gctransit.com

ATL XPRESS

- Cleaning the buses and disinfecting all high-touch/foot traffic areas daily
- Marking seats and limiting capacity to 50% to allow for physical distancing
- Requiring all drivers to wear a mask and providing them hand sanitizer, germicide wipes and spray
- Strongly encouraging customers to wear face masks on the buses
- Educating customers and employees on how to prevent the spread of COVID-19
- View COVID-related service updates: <https://www.xpressga.com/covid-19-2/>

COBBLINC

- Daily cleanings and disinfecting of high-touch/foot traffic areas
- Frequent cleaning of driver & dispatch areas
- View service updates and route information: www.cobbcounty.org/transportation/cobblinc

Safety Tips for Riding Transit

Protect Yourself and Others by Wearing a Mask

Maintain 6 feet distance from Other Riders

Wash Your Hands
