

SCHOOL BUS SAFETY

Wait for your driver
to signal before crossing.

Stay on the sidewalk
even when getting
on the bus.

Stick with your buddies!
Groups are easier for
drivers to see.

Put electronics
away while
getting on or
off the bus.

A stylized sun with a red center and yellow rays is positioned at the top center. Three blue wavy lines are scattered around it, two on the left and one on the right.

Air
Pollution
Solution

Try This!

Ride the bus to school- it's fun!

Ask mom or dad to turn off their engine while in line!

Plant a garden with those you love!

How else can you help?
Write them down!
