For Immediate Release:

Atlanta-region Transit Link Authority (ATL) Announces Xpress Service Changes Beginning on June 16, 2025

The Changes Affect All Xpress Routes

ATLANTA – The Atlanta-region Transit Link Authority (ATL) announces systemwide service changes to its Xpress bus service, which will take effect on Monday, June 16. These changes come as part of the authority's "Redefining the Ride – Xpress 2.0" initiative. On April 3, 2025, the ATL board voted to approve the service changes.

The service modifications are driven by lagging ridership that is largely a result of post-pandemic shifts in commute patterns. The restructuring aims to ensure more efficient use of available funding while maintaining essential transit services for the Atlanta region.

The new system plan was developed through comprehensive data analysis and regional input. The changes include schedule changes to all routes, closures of some park-and-ride locations, and some routes ending at MARTA stations, rather than continuing to Downtown or Midtown Atlanta.

The updated system plan is available on the Xpress website: <https://xpressga.com/redefining-the-ride-xpress-2-0/>.

The Xpress website will also have details about registration for the virtual public meeting to present the new, adopted service plan from 6:00 to 8:00 PM on Wednesday, May 21, 2025. Please make sure to register if you would like to learn more.

Additionally, Xpress/ATL representatives will conduct in-person visits to impacted park-and-ride locations in June 2025 to communicate the service changes to riders leading up to implementation on June 16.

Learn More about the Service Changes

Anyone interested in learning more about the service changes or participating in the public meeting can visit <https://xpressga.com/> or <https://xpressga.com/redefining-the-ride-xpress-2-0/> or contact ATL Xpress at (844)-977-7742.
